

PREMIERE REAL ESTATE PROFESSIONALS, LLC

REFERRAL ONLY

Premiere Real Estate Professionals, LLC is a Limited Function Referral Office (LFRO) and wholly-owned subsidiary of Premiere Property Group, LLC, established to allow licensees to act as referral Agents and receive referral commissions from transactions referred to other active licensees. This allows PPG Agents to maintain an active license status with the State Agency without paying MLS or Realtor® Association dues to stay in business. However, you may NOT engage in listings, selling, leasing, managing, appraising real property, or showing homes.

As a licensed Agent with Premiere Real Estate Professionals, your real estate activity is limited to referrals only. You may not practice professional real estate activity outside of referring business. This is an ideal place for retiring agents or Agents wanting to put their license on hold for a while.
